
CITY OF SHERIDAN

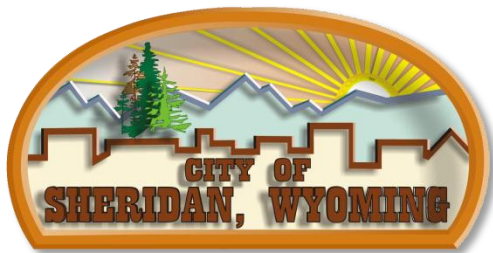

**RECYCLING PROGRAM
CHANGES AND UPDATES**

8-4-2011

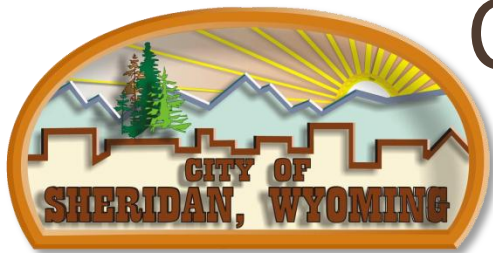

PLASTICS RECYCLING CHANGES

- ❖ We are now able to accept “ALL PLASTICS”. This includes plastic bags, bottles, buckets, plastic tubs, plastic cups, tupperware, plastic sheeting, plastic flower pots, milk jugs.
- ❖ Please remember to remove all the labels if possible.

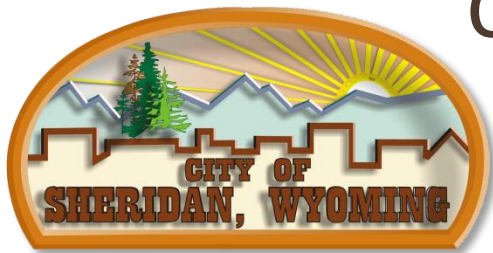

PLASTICS RECYCLING CHANGES

- ❖ Rinse all plastic.
- ❖ Remove the lids and throw away.
- ❖ Remove all metal from buckets and other plastics.
- ❖ Tie knots in the plastic bags so they don't blow away when the container is emptied or bring them to the Recycle Center.

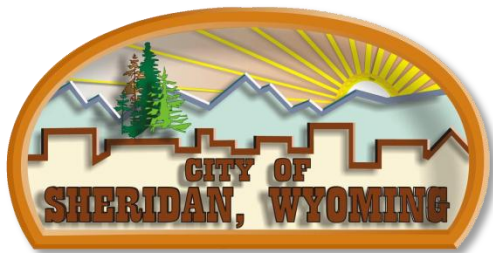

PLASTICS RECYCLING CHANGES

- ❖ Please do not recycle any plastic containing food or liquids. Remember to rinse.
- ❖ Please no poly pipe or pvc in the containers. The poly pipe is accepted at the landfill for recycling.
- ❖ Please no motor oil containers or chemical containers.

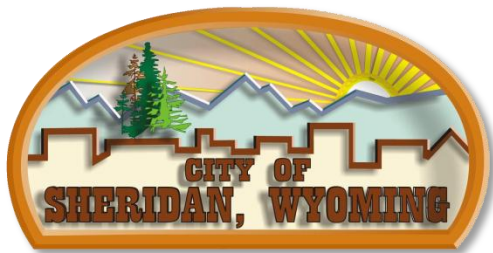

ADDITIONS TO RECYCLING PROGRAM

- ❖ We are now accepting all styrofoam at the Recycling Center. Please no packing peanuts.
- ❖ We are now accepting carpet tubing at the Recycling Center.

RECYCLING UPDATE

- ❖ We will be adding more containers at our drop-sites for plastic as we anticipate a higher volume with the changes to the plastics program.
- ❖ As of July 31, 2011, we have recycled over 7,643 tons of material and 1,707 gallons of oil.

QUESTIONS?

- ❖ If you have any questions about recycling, please call Shanon Short at 307-751-5542 or call the Recycle Center at 307-672-5403 or e-mail sshort@sheridanwy.net.
- ❖ Visit the City of Sheridan website: www.city-sheridan-wy.com and go to the recycling page.
